INNOVATIVE TEACHING ACTIVITIES:

HSC 570 [NEW since 2017] Implementation of the Comfortable Cafeteria and Refreshing Recess Programs in Cleveland Metropolitan School District by Masters of Occupational Therapy students.

Service Learning (2002 – ongoing). I developed the Occupational Therapy Groups for HOPE (Healthy Occupations for Positive Emotions), an 8-week program offered to low-income urban youth attending the after-school program at Friendly Inn Settlement House. Each fall, Master of OT students facilitate these occupation-based social skills groups under my supervision. Approximately 80 children are served each year.
